

**Mobile and compact**  
Animal Bedding  
Disposal Station  
with **large access opening!**

**ARIA**

## Quiet and compact dumping station **optimizing safety and efficiency**

Tecniplast DS One bedding disposal station provides **the best-in-class safety, ergonomics and energy efficiency** for **personnel protection** and **working environment** from aerosol particles and unpleasant odors.

### PERFORMANCE

- **Enhanced operator protection against allergens and contaminants** thanks to a redesigned and optimized working area;
- **Extended HEPA filter life span** guaranteed by the pre-filters (ISO Coarse ≥70% as per ISO 16890; G4 as per EN779) clamped with a transparent co-molded net for an easier and simpler removal of larger dust particles;
- **Sliding reduction funnel** allowing the operator to simplify waste bag removal under a constant and incomparable operator protection.

### BENEFITS

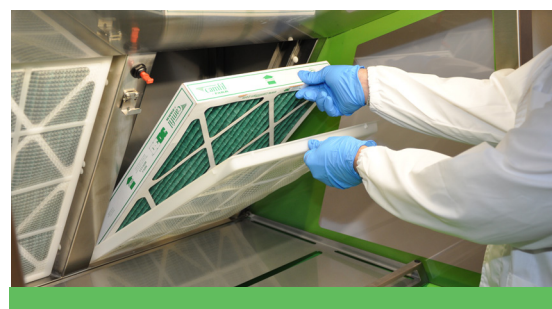

- **Spacious working area in a compact and ergonomic design** thanks to its unmatched access opening height. An optional electric lifting system is also available to be adjusted for user convenience;
- **Easiest Cleanability** thanks to the working surface made in high tech, highly resistant plastic making it highly cleanable and with a high resistance to chemical disinfectants;
- **Energy-efficient and Acoustic Comfort** owed to the unique plenum design and EC motor;
- **Increased durability** of the working surface. The elastic property of the plastic (polymer) is extremely durable and resistant to chemical disinfectants;
- **Top-mounted exhaust carbon filter** absorbs odours and gaseous contaminants including ammonia.

### STANDARD FEATURES

- **AISI 304 with scotch brite finishing** for enhanced cleaning and product life;
- **4.3" touch screen control panel** with automatic regulation system to keep the inflow air speed constant;
- **LED light Bar with light dimmer** provide the highest lighting level;
- **EC Motor Blower** ensures higher efficiency & performance, extended life and reduced maintenance.

### Wide range of options and accessories:

- 60L Polyethylene bin with S/S trolley
- 105L Polyethylene bin with S/S trolley
- Stainless steel waste bag trolley
- Thimble duct exhaust transition
- Exhaust carbon filter
- Trespa shelf

#### OVERALL DIMENSIONS (WxDxH)

(with fixed stand support):

mm 1050 x 895 x 1880 – 41" 3/8 x 35" 2/8 x 74"

#### WORKING AREA DIMENSIONS (WxDxH)

mm 966 x 660 x 590 – 38" x 26" x 23" 2/8
